A suitable play area for your establishment

CHILD FRIENDLY IS HOSPITABLE

Child friendliness contributes to a pleasant environment with respect for children, parents and your employees. By giving everyone a place in your establishment, all guests will feel comfortable and welcome. Additionally, the unique and challenging play corner allows your employees to have more time to optimally serve your guests.

HIGHER TURNOVER BECAUSE OF EXTRA HOSPITALITY

The pleasantness of a dinner experience is often closely related to how much the children can enjoy themselves. Children therefore have a great influence on where a family will go to eat. That's why we believe that investing in play value should not be discarded. While the children feel welcome and enjoy themselves, the parents order an extra drink or dessert and are happy to come back.

Our durable vinyl floors are flexible, light and solid at the same time. They are made of a very strong material on which any design can be printed.
